

MTAiQ

THE MOTOR TRADES ASSOCIATION OF QUEENSLAND HAS DEVELOPED
**AUSTRALIA'S FIRST AUTOMOTIVE
INNOVATION HUB - MTAiQ**

**THINKING
BIG**

PURPOSE

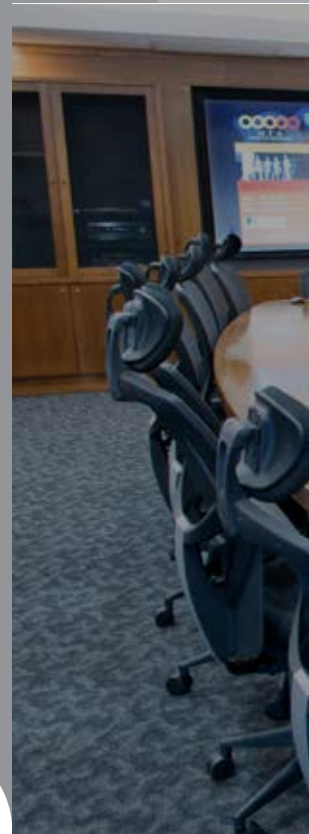

MTAiQ is an eco-system that supports innovation for the automotive industry.

MTAiQ's innovation hub will bring together mentors, investors, coaches, commercial partners, and industry experts to collaborate on the digital disruption and emerging technologies. The hub will assist existing and new start up automotive businesses to develop business models to capitalise on those opportunities linked to new technology.

ELIGIBLE CLIENTS & PROJECTS

MTAiQ will engage with:

- **Start Ups:** entrepreneurs and innovators connected to the automotive industry who are looking to launch new products or services.
- **Transformations:** existing businesses needing guidance, advice and mentorship to grow and adapt to market opportunities.

MTAiQ TEAM

Within the Team we have leading experts in the fields of business innovation, financial, legal, information technology, and marketing and communications.

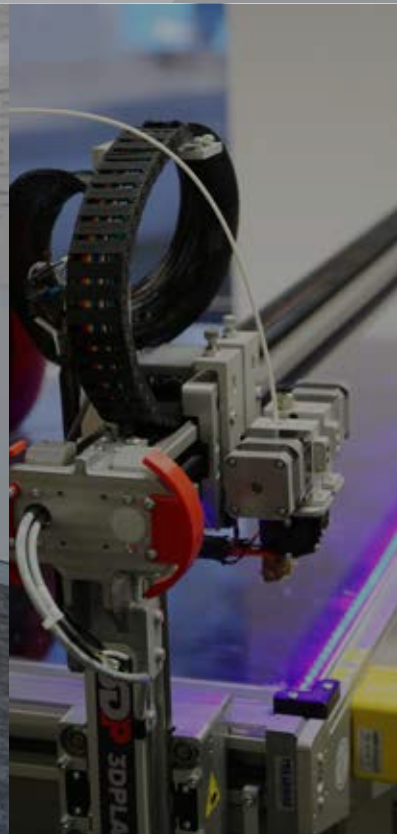

MEMBERSHIP

MTAiQ has a range of membership options dependent on the needs of a project.

We have access to funding and investment networks. We are able to customise a membership that will suit the needs of each venture.

PAINTING
